

Treasury Department,

Office of the Secretary,

Washington, D. C., June 14, 1895.

To the Director

of the Mint.

Sir:

I will thank you to instruct the Superintendent of the Mint of the United States, at Philadelphia, to cause to be made, as soon as practicable after July 1, 1895, and forwarded to the Assistant Treasurer U. S. at St. Louis, Mo. for official use in his office, a hopper and five counting boards for counting U. S. coins, one board for each of the following named coins, viz:

Silver quarter-dollar,

Silver dime,

Five cent nickel (old issue),

Five cent nickel (new issue) and

One cent copper.

The actual cost thereof will be repaid to the Mint appropriation from the appropriation "Contingent Expenses Independent Treasury 1896".

Respectfully yours,
